

Doxology for Anba Abraam, Bishop of Fayoum

The Lamp that Lights
For His wonders and miracles

The one with crown of jewels
The friend of the righteous and prophets

He is Anba Abraam
The true shepherd

David taught us in truth
Who love the meek and poor

Like our Father Abraham
You loved to show mercy

You were used to witness to the truth
With great humility

Fayoum and all Egypt
And his love for Christ

The friend of the anchorites
Who followed our Lord Christ

The Bishop of Fayoum
The teacher of virtues

That blessed are those
The Lord will save their souls

The Father of Isaac and Jacob
And completed all commandments

You were used to eat with the poor
You loved your sheep

The lovers of material things
But you built in heaven

How many are your wonders
You prophesied about great things

You became an example
With love and mercy

Ask the Lord on our behalf
The Bishop of Fayoum

Sought new buildings
Heavenly new places

You healed the sick
You cast out the Devils

With your pure example
And witness to the truth

Our father anba Abraam
So He may forgive us our sins.
